RE: Congressman Waxman Campaign Committee, ID#C00013128

Dear Ms. Simpson:

In response to your letters and your questions regarding Congressman Waxman Campaign Committee I submit the following:

## REPORTS

02/17/00-03/31/00 April Quarterly is amended as follows:

Missing occupation/employer information has been provided on Schedule A, Line 11a.

On Schedule A, Line 11c, we have provided the full name of the PAC's. In the future we will provide this information if the "patronym" on the check is not on the FEC approved list. We have also provided the date the contribution was transferred by the conduit to our committee as a memo entry.

Our responses regarding our committee's 48 hour notices are listed on the attached Exhibit A.

04/01/00-06/30/00 July Quarterly is amended as follows:

On Schedule B, Line 17, we have provided the missing address for the itemized disbursements.

On Schedule B, Line 21, we have provided the office sought for each contribution made to a federal candidate. We have always provided this information in the past, but because of a change in our computer software, the information we entered did not print. This has been fixed.

~~I hope these amendments satisfactorily respond to the FEC's concerns. Our office is committed to eliminating this type of missing or incomplete information from appearing on any future reports.~~

Sincerely,

  
Mary Ellen Padilla
